

# This is not your Mother's Bake Sale!

We all need two things at Thanksgiving time, a delicious pie and to give thanks by paying it forward. More than a fundraiser, "Pie It Forward" fosters community spirit and supports the mission of Meals on Wheels of the Palm Beaches. "Pie It Forward" with us this Fall!

Each pie sold for \$ 25 will provide a week's worth of meals for a local, homebound senior.

My absolute favorite holiday is Thanksgiving. It epitomizes family, friendship, and love. Every year, when Thanksgiving rolls around, I look forward to Meals on Wheels of the Palm Beaches (MOWPB) "Pie It Forward" campaign. It is by far the best business write off / charity contribution I make annually. The pies bring smiles to my clients' faces and excites their taste buds at the same time! This past year I purchased 50 pies and gave an individual pie to either a current or a former client. It's a way of saying, "thank you" for allowing me to serve you and a way of introducing another great charity into 50+ new homes annually. I receive more "thank you" cards for my annual Thanksgiving Day pie deliveries than are necessary, but it certainly warms my heart knowing I have served my clients and my community by introducing the needs of MOWPB to so many locals.

Ozzie (co-owner) and I, along with our entire team at Table 26, are so excited to participate each fall in the annual "Pie It Forward" campaign for Meals on Wheels of the Palm Beaches. When we first heard about this unique concept for raising funds for the daily work of MOWPB, we thought it was the perfect way to create awareness and community participation. "Pie It Forward" is such a great way for so many to give back and help our seniors in need receive a hot meal every day. We are so honored to be a part of this great cause and donate pies to the campaign each year, as a "Pie Master." "Pie It Forward" = "Pay It Forward."

Meals on Wheels of the Palm Beaches is an extraordinary organization! Two of the greatest things it has done for me is to give me the ability to live independently and provide me with a nutritionally-balanced diet that wouldn't be possible on my own. These two things alone, are so valuable to me, as well as to many others. I am so grateful to be a client of Meals on Wheels of the Palm Beaches.
